Privacy Policy

App: UFABC Library

This app has been built as being Open Source. This SERVICE is provided at no cost and is intended for use as is.

If you choose to use our Service, then you agree to the collection and use of information in relation to this policy. Every data collected from this app have the user's explicit consent. We will not use or share your information with anyone except as described in this Privacy Policy.

Information collection and use

The app does use third party services that may collect information used to identify you.
Link to privacy policy of third party service providers used by the app:

- Google Play Services.

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory.

This application uses Cookies in order to keep an active connection to the library's website.

Links to other sites

This application contains links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy

Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

Changes to this Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy. These changes are effective immediately after they are posted.
